

Benjamin Dawley Memorial Golf

TO BENEFIT *Exceptional Citizens' Week*

Exceptional Citizens' Week provides a camp for physically and developmentally delayed children and young adults each August. For over 70 years, E.C. Week has made a dream come true for over 8,000 campers who are afflicted with, among other things, Autism, Cerebral Palsy, and Downs Syndrome. They are given the opportunity to experience a week of horseback riding, swimming, boating, arts and crafts, and many more special events that they otherwise would not be able to enjoy. Over 150 campers attend each year *at no cost to any of them*. The 275 dedicated volunteers and many generous donors allow E.C. Week to offer this great week **free of charge**.

On June 19th, 2004, the E.C. Week family lost one of its own. Benjamin Dawley, whose parents, family, and many friends have been involved with E.C. Week for many years, passed away unexpectedly only 10 months after he was born. Ben was a happy, playful young boy who had a knack for lifting your spirits through his pleasant mood and huge smile. Although he may have been a few years young to volunteer at E.C. Week, Ben already knew what it took to brighten other people's lives. In honor of Ben's memory, this tournament to benefit E.C. Week will forever carry his name.

Golf Tournament –

In its **32nd** year, this golf tournament continues to raise funds to offset the huge operating costs of Exceptional Citizens' Week. It has proven to be an enjoyable day while raising thousands of dollars. The tournament this year will be held at Pembroke Country Club on Friday June 12, 2026 at 9:00am. We are striving to make 2026 a fun day for everyone and our most successful year ever!

Over the years, the golf tournament has been a financial success due to the contributions of many generous individuals and corporations. For this success to continue, we are asking for contributions to this very worthy cause. Outlined below are recommended sponsorship options:
